

Global Employee Satisfaction Survey - 2024

Our Mission

We will deliver innovative, high-quality education and services to unlock opportunities, build trusted partnerships and enable success for our students and their families, our employees and partners, and for communities worldwide.

To continue our track record of excellence, we strongly believe in the importance of our employees. In this sense, we want to hear from our people to improve employee engagement, satisfaction and performance. In April 2024, over 700 employees responded to our Global Employee Survey, where 77% of our employees participated. From the results, OIEG stresses the relevance of Collaboration and teamwork, which creates a supportive and engaging work environment.

We love what we do and strive for excellence

We build relationships through trust, honesty and respect

We are not afraid to be different and we celebrate innovation

We put our students and their goals at the heart of everything we do

and we believe a smile goes a long way

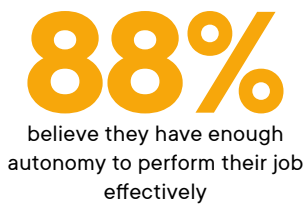

Our Values

We take great pride in establishing a culture based on our core values. Our working ethos is passionate, caring and focused on delivering outstanding results for our students and stakeholders.

One of our core values is Care, and employees feel that our Managers pay special attention to their well-being and provide feedback to keep the workplace as where they can be authentic and feel respected. Our people are aware of their contribution to the goals of OIEG and they know their needs to succeed in their role. We believe in the company's mission and where our leaders are taking us and that's why we are proud to say that OIEG is a great place to work and succeed.

Survey Results - May 2024

From over 700 responses from our last survey, the results are in:
